## INDEPENDENT AUDITOR'S REVIEW REPORT

**The Board of Directors**  
**Mesaieed Petrochemical Holding Company Q.P.S.C.**  
**Doha - Qatar**

### *Introduction*

We have reviewed the accompanying condensed interim statement of financial position of **Mesaieed Petrochemical Holding Company Q.P.S.C. (the "Company")** as at 30 June 2023, and the related condensed interim statements of financial position, profit or loss and other comprehensive income, changes in equity and cash flows for the six month period then ended and a summary of significant accounting policies and other explanatory notes. Management is responsible for the preparation and fair presentation of this interim financial information in accordance with International Accounting Standard 34 Interim Financial Reporting. Our responsibility is to express a conclusion on this interim financial information based on our review.

### *Scope of review*

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### *Conclusion*

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with International Accounting Standard 34 Interim Financial Reporting.

**2. BASIS OF PREPARATION AND SIGNIFICANT ACCOUNTING POLICIES****Basis of preparation**

The condensed interim financial information for the six-month period ended 30 June 2023 has been prepared in accordance with IAS 34, Interim Financial Reporting under the historical cost convention.

The condensed interim financial information does not include all the information and disclosures required in the annual financial statements and should be read in conjunction with the Company's annual financial statements for the year ended 31 December 2022. In addition, results for the six-month period ended 30 June 2023 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2023.

The Company's accounting and risk management policies are consistent with those presented in the annual financial statements for the year ended 31 December 2022.

The condensed interim financial information is presented in Qatari Riyal ("QR"), which is the Company's functional and presentation currency and all values are rounded to the nearest thousands (QR '000'), except otherwise indicated.

**Significant accounting policies**

The accounting policies used in the preparation of these condensed interim financial statements are consistent with those used in the preparation of the Company's annual financial statements for the year ended 31 December 2022, and the notes attached thereto, except for the adoption of certain new and revised standards, that became effective in the current period as set out below.

**New and amended standards and interpretations adopted by the Company****Revised standards**

During the current period, below amended IFRS became effective for the first time;

- Amendments to IAS 1 – Presentation of Financial Statements Classification of liabilities as Current or Non-current
- Amendments to IAS 1 – Presentation of Financial Statements and IFRS Practice Statement 2 Making Materiality Judgements): Disclosure of Accounting Policies
- Amendments to IAS 8 (Accounting Policies, Changes in Accounting Estimates and Errors): Definition of Accounting Estimates
- Amendments to IAS 12 (Income Taxes): Deferred Tax related to Assets and Liabilities arising from a Single Transaction

The adoption of above amended standards had no significant impact on the Company's condensed consolidated interim financial statements.

**Standards issued but not yet effective**

A number of new standards and amendments to standards are effective for annual periods beginning after 1 January 2024 and earlier application is permitted. The Company has not adopted any of the forthcoming new or amended standards in preparing these condensed consolidated interim financial statements.

#### 4. INVESTMENTS IN JOINT VENTURES (CONTINUED)

##### *(iv) Capital commitments and contingent liabilities (continued)*

The joint ventures have purchase commitments that consist primarily of major agreements to procure gas from QATARENERGY. The joint ventures also have a number of agreements for electricity, industrial gases and manpower.

##### **Other contingent liabilities**

###### *Site restoration obligations*

Ras Laffan Olefins Company Limited Q.P.J.S.C. (a joint venture of Q-Chem II) has entered into a land lease agreement with the Government of Qatar represented by QATARENERGY for the purpose of construction of the plant facilities.

Under the original and revised lease agreement, the lessor has the right, upon termination or expiration of the lease term, to notify the joint venture that it requires to either:

- transfer all the facilities to the lessor or a transferee nominated by the lessor, against a price acceptable by the joint venture, or;
- remove the facilities and all the other property from the land and restore it to at least the condition in which it was delivered to the joint venture, at the joint venture's cost and expense, unless otherwise is agreed with the lessor.

The condensed interim financial information of Q-Chem II is prepared based on an assumption that QATARENERGY is unlikely to opt for the second option, that is to impose site restoration on the joint venture. Therefore, no provision has been provided for such obligation.

##### **Tax indemnity**

Based on the Memorandum of Understanding ("MOU") entered into between QATARENERGY, the Ministry of Finance and the General Tax Authority ("GTA") on 4 February 2020, the joint ventures shall pay the income tax amount payable for the ownership interests pertaining to the foreign shareholder to the GTA and the tax pertaining to the public shareholding company directly to the public shareholding company. In relation to this, MPHC has agreed to indemnify to Q-Chem and Q-Chem II in case of any tax exposure in the future as a result of the two joint ventures not paying the full tax liability to the GTA.

##### **Tax assessments**

During 2020, the GTA issued income tax assessments for the years from 2012 to 2014 for QVC. The joint venture assessed the likely outcome of the assessments based on the status of latest discussions with the GTA and concluded that no provision is required.

Management concluded that the assessments will not impact the Company as its investments in joint ventures are equity accounted for on a pre-tax basis, in accordance with the provisions of the MOU agreed between the relevant stakeholders.

For the six-month period ended 30 June 2023

*(All amounts are expressed in thousands Qatari Riyals unless otherwise stated)***10. LEGAL RESERVE**

The Articles of Association of the Company states that prior to recommending any dividend for distribution to the Shareholders, the Board shall ensure proper reserves are established in respect of voluntary and statutory reserves considered by the Board to be necessary or appropriate. Such reserves as resolved by the Board, shall be the only reserves the Company is required to have.

**11. DIVIDENDS**

The Board of Directors had proposed cash dividend distribution of QR 0.11 per share for the year ended 31 December 2022. The final dividend for the year ended 31 December 2022 had been approved at the Annual General Meeting held on 12 March 2023.

During the period, the Company paid a dividend of QR 1,299 million. Below is the movement in dividends payable balance during the period:

<i>As at</i>	<b>30 June 2023 (Reviewed)</b>	31 Dec 2022 (Audited)
Balance at the beginning of the period/year	<b>367,754</b>	293,240
Dividends approved during the period/year	<b>1,381,949</b>	1,381,949
Dividends paid during the period/year	<b>(1,299,273)</b>	(1,307,435)
Balance at the end of the period/year	<b>450,530</b>	367,754

**12. INCOME TAX**

The Company's profits are exempt from income tax in accordance with the provisions of Qatar's Income Tax Law No. 24. of 2018. However, the Company's joint ventures' profits are subject to income tax in accordance with the applicable law in Qatar for QVC and in accordance with the Joint Venture Agreements of Q-Chem and Q-Chem II as endorsed by an Emiree Decree and Council of Ministers Decision respectively.

During 2020, QATARENERGY, the Ministry of Finance and the General Tax Authority have reached an agreement through an MOU which gives the Company a right to a refund on its portion of tax incurred by the joint ventures.

As such, the Company is entitled to the pre-tax profits from the underlying joint ventures, therefore, applying the principles of equity accounting under IAS 28 "Investments in Associates and Joint Ventures", the Company accounted for its underlying interests in the joint ventures on a pre-tax basis. This resulted in a tax adjustment amounting to QR 1,467 million as of the period ended 30 June 2023.

The Ministry of Finance will then pay MPHIC's share of tax to the General Tax Authority.

**13. SEGMENT INFORMATION**

For management purposes, the Company is organised into business units based on their products and services, and has one reportable operating segment which is the petrochemical segment from its interest in the joint ventures, which produces and sells polyethylene, 1-hexene, normal alpha olefins, other ethylene derivatives, caustic soda, ethylene dichloride, vinyl chloride monomer and other petrochemical products.

Geographically, the Company only operates in the State of Qatar.

**14. CRITICAL JUDGMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY**

In the application of the Company's accounting policies, management is required to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

**Classification of the investments as joint ventures**

Management evaluated the Company's interest in Q-Chem, Q-Chem II and QVC (together "the Entities"), and concluded that the joint arrangements are joint ventures where the Entities are jointly controlled. Hence, the management accounted for these investments under the equity method.

**Site restoration obligations**

As required by IAS 37 - Provisions, Contingent Liabilities and Contingent Assets", the Company assess whether the following criteria is met to recognise provisions:

- whether the Company has a present obligation as a result of a past event,
- it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and;
- a reliable estimate can be made of the amount of the obligation.

As explained in Note 4 (iv), the Company may be required under a lease agreement entered into by its joint venture Q-Chem-II, to make payments for site restoration at the option of the ultimate parent (QATARENERGY). It has been assessed that the optionality given to QATARENERGY makes it more likely to acquire the plant from the joint venture rather than restoring the site at the cost of the joint venture. Therefore, the criteria to recognise provision for restoration obligation is not fully met and no provision has been recognised in this condensed interim financial information.

**Impairment of investment in joint ventures**

The Company assesses the impairment of non-financial assets, particularly its investment in joint ventures, whenever events or changes in circumstances indicate that the carrying amount of the non-financial asset may not be recoverable.

Factors which could trigger an impairment review include evidence from internal and external sources related to the changes in technological, market, economic or legal environment in which the Company operates and economic performance of the assets.

Based on the assessment performed as of 30 June 2023, no impairment indicators were identified, and therefore a detailed impairment test was not performed.
